\*Enrolled children may extend their day when schools are closed. The daily fee will be added to the weekly tuition fee but will never exceed \$185 per week. For example: if schools are closed for one day like Teacher Professional Day or Presidents Day, the extended hour fee of \$26 will be added to that week's tuition. For winter/spring breaks if they attend the full week (5 days), the weekly tuition fee will not exceed \$185.

School age children who are not currently enrolled in our program and have a sibling in the Center or are an alumnus of the program are eligible for "drop in days" when the schools are closed as long as we are able staff it appropriately, and if space is available. Parents will need to call in advance and complete/return the required paperwork. The daily rate is \$60 per day. If a full week (5 consecutive days) is needed the cost is \$225.
